Appendix 1: Application form for participation in the conference

First Name, Middle Name, Last Name	
Academic Degree	
The Topic of the Report	
Place of Work / Place of Study (fully)	
Position	
Phone Number (Mobile, Home, Work...)	
Specialization, Year (PhD/Master Students)	
E-mail	
Address	
Annotation (about 200 words)	

Appendix 2. The Structure and Format of the Article

Requirements to the materials presented:

Articles can be presented in the Armenian, Russian and English languages in electronic versions. Only the articles that have not been published anywhere previously, are accepted to the conference. Conference participants will be provided with certificates of participation and the articles will be included in the VSU Scientific Bulletin (electronic and paper). Conference participants will be sent an electronic version of the conference proceedings. Those who wish to obtain a paper version can contact the conference secretary.

Computer design:

File Microsoft Office Word 2007, Paper size A4

Margins: top - 25 mm, bottom - 25 mm, left - 25 mm, right - 25 mm

Font – Armenian: GHEA Grapalat, Russian and English: Times New Roman

Size - 12 pt

Line Spacing - 1

First Line - 1 cm

Do not use more than one space

Heading (**Bold**) is indicated on the first page of the center, use capital letters

On the next line **Information about the author(s)** aligned to the right:

- Author's ***last name, first name*** (Bold, Italics)
- *Academic title and degree*
- *Workplace (institution/organization)*
- *Country*
- *Author's email address*

Writing the phrase "Key words:" and putting 7-10 key words or phrases. Key words must not be repeated in the headline of the article. The article should include the following points:

1. **Introduction**
2. **Research Problem**
3. **The Objective of the Article**
4. **The Scientific Novelty of the Research**
5. **The Main Material**
6. **Conclusion**
7. **Recommendations**

8. References

Tables, figures and graphics should be numbered, explaining the title (10 pt, Bold, Italics - Bold, Italics). The sizes of graphics material- not more than 110 mm, height - no more than 170 mm, the size of the text in the figures - 10 pt.

Formulas and mathematical expressions are presented by Microsoft Equation, Italics, 10 pt, and the main expressions in the center with a separate line. Those can be numbered on the right corner at the same line in parenthesis: ().

For those articles that contain symbols not in GHEA Grapalat font, it is necessary to represent an electronic fund of symbols.

References to literature are indicated in square brackets in the text - []¹

Notes are given at the bottom of the page with the increasing numbering

At the end of the text to spell the word "**References**" - **Bold**

The next line - the list of reference with increasing numbering

The summary is presented separately in both languages after the list of references². The content of the summary and keywords in both languages must be identical and consist of 150-200 words.

Please specify the article title, the next line - the author's name and surname, then the word "Abstract" and the text of abstract, then – the keywords.

The article should consist of 7-12 pages.

To exclude plagiarism, articles will be published only after a special examination.

If the author of the article is a Master's student, a letter of recommendation from the scientific supervisor is required.

Appendix 3

Reference letter

Author's First Name, Last Name
